Dear Parent/Guardian:

We are now into the 3rd week of school and what a new year it has been so far.

Thank you to all the parents who have completed the Family ID process. It has been a learning curve for all of us.

To date, we have over 90 percent of our parents signed up on Family ID. The good news is that once you complete this task, your information will be stored in Family ID forever and will save you a tremendous amount of time in the future!

If you have not yet signed up for Family ID and finished the registration process, please do so as soon as possible. All the annual demographic information and permission forms that were sent home annually in previous years are now only accessed through Family ID.

Follow this link <https://www.familyid.com/pages/home> or go to our website www.prattsburghcsd.org , go to the QUICK LINKS and follow the Family ID link.

Parents of grades 7-12 students: Many of you have registered your students for the School Device usage and permissions but have not completed the Annual Permissions registrations. Please go back into Family ID and complete those registrations. *Students need to complete the two surveys to be able to participate in field trips.*

If you have any questions at all or are having trouble signing up, please call the school at (607) 522-3795 option 2, and we can help you.
